*In 1953, the Bikini nightclub in Barcelona served a toasted sandwich which became popular with customers. Today in Catalonia it is simply known as a "bikini".*

*At Sandwich Craft, we have applied science and passion to creating the best version of the classic Bikini, plus some of our own variations that we think you will enjoy — all prepared with Cloudstreet organic bread.*

**Vegan or other special diet — please ask and we will create something for you.**

**Allergen Information:** we regularly use these ingredients in our food, so even if your dish doesn't contain these items, there is the possibility of traces existing: **milk, egg, cereals containing gluten (wheat, rye and barley), fish, tree nuts, soy (soya), peanuts, ses me, mustard, celery.** Please ask us if you have any questions or concerns.

## OUR SANDWICHES

Our sandwiches are always freshly made for you - nothing sits cold in plastic or warm under lights waiting for you to arrive. We buy fresh ingredients every day — nothing is bought frozen. All our sauces and ingredients are either cooked by us, or by people whose names we know.

**Authentic. Fresh. Better. In everything we do.**
